Letter from Mrs. Wise

Dear Parents,

I hope the past six weeks have gone well. I am very excited to be back with you all! Mrs. Andersen and I met on Friday, so I am hopeful we will have a very smooth transition!

We will be going to the Museum of Life and Science in Durham on April 28th. Field trip forms will be going home in Go Folders today because Wake County policy has changed regarding how early permission slips have to be turned in in order for students to be able to go on field trips. The due date on the back of the form says March 1st, but you all did not have the forms. Please return them tomorrow if at all possible!

Economics Projects are due Monday, March 21st. I am in the process of looking over what was turned in for approval. Unless I contact you personally, your child's project has been approved!

Thank you for all you do to help your child succeed! ☺

Sincerely,
Mrs. Wise
