Mrs. Wise's Class
October 22, 2015

Letter from Mrs. Wise

Dear Parents,

Welcome back! I hope you all had a wonderful track out and are ready for a great second quarter!

As we track back in, please remind your student about acceptable school behavior. We will be spending some time in the Classroom reviewing and practicing classroom rules and procedures throughout the week as I am sure there will be some forgetfulness after our short break.

This quarter we will be focusing on non-fiction texts, so please encourage your child to check out non-fiction texts from the library. The reading log prompts will relate to non-fiction texts this quarter.

We have new spelling options for spelling homework this quarter. Please check the website under "Homework Expectations." I will also send a copy of the new spelling homework options via email.

This week is Bully Prevention Week! JDE has recognized this week with the theme "It's Cool to Care - JDE is Bully Free." Students will participate with a pledge to be bully free banner, airing video messages, and student led announcements. All students will receive an orange zipper pull embossed with the logo. Please look for your child's zipper pull to help begin discussions with your child about helping JDE be bully free.

Thank you for all you do to help your child succeed! ☺

Sincerely,
Mrs. Wise

Specials Schedule

Monday - Technology

Tuesday - P.E. (remember sneakers)
